

JJS Design

EXPAND YOUR BRAND

 jjsdesign.com

Need a logo for a new company?

Want to promote your products/services through a website or brochure?

Have outdated marketing materials that need refreshing?

JJS Design is an innovative and creative design studio specializing in print, website, email and logo design. With an acute attention to detail and emphasis on customer satisfaction, JJS Design has the capability to help you realize your design goals at an affordable price.

JJS Design has been owned and operated by Josh Sandage for over 12 years. Josh earned a Bachelor's of Fine Arts in Design from Virginia Commonwealth University. He has cultivated his passion for design over the years in a myriad of settings, including the website design industry, digital media, higher education, financial services, healthcare and through freelance work.
